Air Jordan what kinds of goods in the market? True and false - Classification

: that is genuine; goods after inspection qualified and manufactured products, the major dealers and counters listed for sale, when the hand is equipped with shoebox and all other accessories, also known as the company of goods.

factory goods: as the name suggests is "factory", the number of shoes very rare, there are generally two types:

Nike will take Sample or factory goods to magazines, websites and other media on the hand, shooting for the propaganda effect, if Nike is not recycled shoes, this kind of factory goods also can into the market. Buy reminder: but the real factory goods is less and less, the current on the market under the name factory goods sales are commonly known as "pieces of fake goods" (under details).

piece goods: "pieces of shoes", also called assembled shoes, was made up of some false original materials with true materials and counterfeiting factory to find their own, is the "half fake shoes". But after the release from AJ11 black and white, this kind of shoes does not exist, why? Because of the introduction of AJ11 black and AJ5 black silver AirJordan is popularized in the domestic period, when the domestic market demand increased sharply, fraud factory don't so much to the raw material, plus driven by high profits, these factories directly with fake materials produced, so cutting shoes are actually fake hundred-percent in addition to shoes, shoes, no one is really. So the market said.

the following small introduced the top of the five shoes, Nike shoes are.
